

**Register**   
Update personal shopping preferences such as allergies.

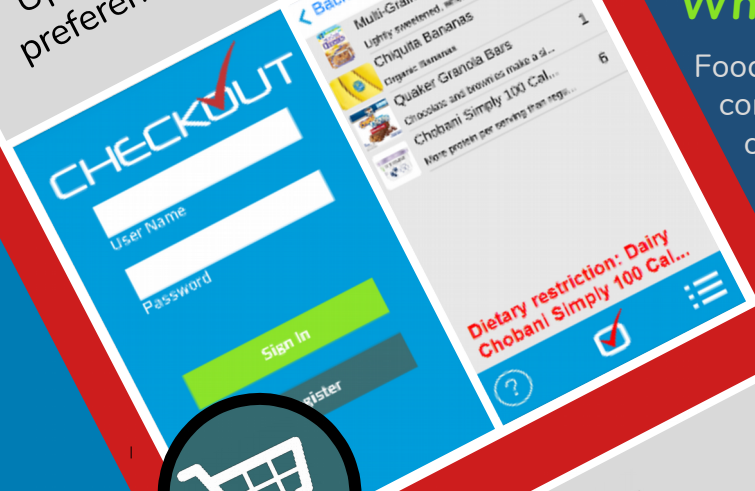

# CHECKOUT

## The Mobile Shopping Solution

### What's the problem here?

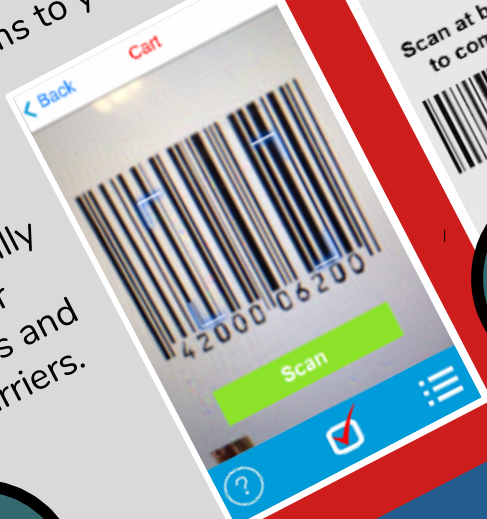

Food Shopping is arduous and time consuming. Skip the check-out with your personal device

**Browse**   
View deals, ads, and store specials, in store, at home, or on the go!

**Shop**   
Type or scan items to your shopping list.  
Database automatically checks for allergens and diet barriers.

### Our Values

**Speed**, so that you can continue your life. **Ease of Use**, with voice commands and language support. **Efficiency**, through product sales, inventory, and allergy information for all items.

### Our Stakeholders

#### Client Companies

The implementers of our system. Provided with a key differentiator in the highly competitive marketplace.

#### Grocery Shoppers

The direct users of the application. Provided with time savings and informative data for shopping.
